School Nurse Job Description

Job Title: School Nurse
Reports to: Principal

POSITION SUMMARY
School nursing is a specialized practice of nursing that advances the well-being, academic success, and lifelong achievement and health of students. Keeping children healthy, safe, in school, and ready to learn should be a top priority for both healthcare and educational systems. Every child has access all day, every day to a full time registered professional school nurse (hereinafter referred to as school nurse). The school nurse serves in a pivotal role that bridges health care and education. Grounded by standards of practice, services provided by the school nurse include leadership, community/public health, care coordination, and quality improvement.

PRIMARY RESPONSIBILITIES
- Provide healthcare to students and staff
- Perform health screenings
- Coordinate referrals to private healthcare providers
- Serve as liaisons between school personnel, family, and community healthcare providers to ensure a healthy school environment
- Provide preventive services
- Identify problems in the earliest stages
- Oversee interventions and referrals as a way to foster health and ensure educational success
- Develop plans for student care based on assessment, interventions, and identification of outcomes, and evaluation of care
- Serve as consultants with other school professionals, such as food service personnel, physical education teachers, coaches, and counselors
- Participate in the IEP plan development where applicable
- Provide health-related education to students and staff in both individual and group settings
- Monitor and maintain immunization records, managing communicable diseases, and report to the local authorities
- Obtain health records during the enrollment process and record/maintain the information in the Student Information System
- Oversee infection control measures and check/monitor student/staff body temperatures
- Review and update ICAGeorgia’s Health Services Manual and Return To-Person Instruction Plan
- Assess the school environment as to prevent injury and ensure safety
- Actively participate in school safety plans that address school violence, bullying and emergencies that may occur at school
- Oversee medication administration, health care procedures, and the development of healthcare plans
- Oversee vision, hearing, body mass index, and mental health screening procedures
- Assist families with locating outside care and obtaining health insurance
- Assist with the Medicaid claiming process and do claiming on qualified students
- Greet and assist parents and students during arrival and dismissal periods
- Oversee and monitor students during meal services; assist with cleanliness of the cafeteria and the flow of meal services
- Monitor AED batteries and work with Administrative Assistant to purchase AED and medical supplies
- Collaborate with teachers, paraprofessionals, and Administrative Assistant for your absence
- Perform all other duties as assigned by the Principal
