ICAGeorgia Financial Policies:

Procurement: The CFO will ensure that all procurement transactions are conducted in a manner that provides open and free competition. Awards must be made to the bidder/offeror whose bid/offer is responsive to the solicitation and is most advantageous to ICAGeorgia considering price, quality, and other relevant factors such as reviews and reference checks deemed appropriate by ICAGeorgia. When using CSP funds to enter into a contract for equipment or services the Principal and CFO will comply with the applicable federal procurement standards.

The solicitation of bids or offers must provide a clear and accurate description of the requirements to be fulfilled by the bidder, and technical requirements to be performed including the minimum acceptable standards, specification, and specific features of brand name or equal descriptions that bidders are required to meet. Positive efforts will be made to utilize small businesses, minority-owned firms, and women’s business enterprises whenever possible. The type of procurement instruments used (e.g. purchase orders) must be appropriate for the particular procurement.
