Social Security Card Information

According to Georgia Law 20-2-150d, an official copy of a child’s Social Security card/number is required for public school enrollment in Georgia; however, no student shall be denied enrollment in any public school of this state for declining to provide a Social Security number to the local unit of administration (LUA) or for declining to apply for such number (SBOE Rule 160-5-1-.24). Any parent or legal guardian, who does not wish to provide the Social Security number into the child’s school records, may sign the waiver (a statement objecting to the requirement) on page 8.

Public school systems may not deny enrollment because they are obligated by federal law (Title IV of the Civil Rights Act of 1964) to provide all children equal access to education at the elementary and secondary levels. Federal laws prohibit discrimination against public school students on the basis of race, color and national origin. The Civil Rights Act bars discrimination based on race, color, or national origin in programs or activities that receive federal financial assistance. It further bars school districts from adopting practices that have the effect of discriminating on the basis of these characteristics.

Though the State of Georgia requires its school systems to obtain a Social Security number, the state may not deny a child equal access to public education based on his or her immigration status. Enrollment policies may not discourage participation or lead to the exclusion of students based on their or their parents’ actual or perceived immigration status or based on a student’s homeless or foster care status and consequent lack of documentation.

Considerations and Exceptions for Enrollment

1. Complete enrollment documentation, which can be found on the checklist, must be received by International Charter Academy of Georgia before enrollment is considered complete. Additional records including medical/health, disciplinary, academic records, and special education or gifted records (if applicable) from previous school(s) must be received by ICAGeorgia before the child may start school. Students are subject to the board policies regarding admission and enrollment at the time their admission is considered complete.

2. Parent engagement is an important part of the educational approach at International Charter Academy of Georgia. International Charter Academy of Georgia encourages all families to attend Academic Parent-Teacher Team meetings and commit to a minimum of 20 hours per school year to support your child’s education at ICAGeorgia through various volunteer opportunities.

3. Enrollment at International Charter Academy of Georgia is contingent on disciplinary status determined by the child’s previous school. If the behavior infraction resulting in one of the consequences below would result in expulsion according to ICAGeorgia’s Code of Conduct, ICAGeorgia reserves the right to deny enrollment. Check any/all of the below that apply to your child:

   □ Child is currently suspended from another school or school system
   □ Child has been expelled from another school or school system
   □ Child is awaiting a discipline tribunal
   □ Child has a discipline situation against him/her which restricts them from attending their zoned public school within the local school district

   Parental Pledge

As the parent(s)/guardian(s) of ___________________________,
I have read carefully and understand the above considerations and exceptions for enrollment at International Charter Academy of Georgia.

Declaration of Trust and Good Faith: I hereby declare that all of the above information is complete and accurate. I understand that failure to disclose important information or falsifying information on this application could result in the disenrollment of my child.
