## OPTIONAL Children's Racial and Ethnic Identities

Do not fill out Far School Use Only

We are required to ask for information about your children's race and ethnicity. This information is important and helps to make sure we are fully serving our community. Responding to this section is optional and does not affect your children's eligibility for free or reduced price meals.

Ethnicity (check one): 🗌 Hispanic or Latino 🔲 Not Hispanic or Latino	
Race (check one or more): 🔲 American Indian or Alaskan Native 🗌 Asian	Black or African American Native Hawaiian or Other Pacific Islander White

The **Richard B. Russell National School Lunch Act** requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The last four digits of the social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals and for administration and enforcement of the lunch and breakfast programs. We MAY share your eligibility information with education, health, and nutrition program reviews, and law enforcement officials to help them look into violations of program rules.
