Dear Families,

We are excited to welcome you to ICAGeorgia for the 2026-2027 academic year. Your family is part of an exceptionally talented and energetic student body, and we are proud that you chose ICAGeorgia. The ultimate purpose of our work together can be stated in our mission to “broaden the horizons of students in Georgia to a diverse international community so that they may become global citizens who promote peace around the world.” Ultimately, we want 100% of our students to have a solid foundation that will prepare them for middle school, high school, college, and the competitive world beyond.

The ICAGeorgia Student Handbook provides a great deal of important information regarding our programs, policies and procedures. Please read the handbook thoroughly and discuss this information with your children. Good communication between home and school is vital to the learning process.

Here at ICAGeorgia, you will find fantastic teachers and staff devoted to your student’s success, and we encourage you to reach out to these individuals at times when you might need assistance. We encourage a close, proactive relationship with our parents and look forward to working with you. Please remember that our door is always open for questions, comments or concerns.

Sincerely,

ICAGeorgia Board of Directors

About ICAGeorgia

ICAGeorgia offers a Dual Language immersion program in both English and Japanese. This means that students spend part of their day immersed in Japanese-speaking classes and the rest of the day in English-speaking classes. Throughout the school day, during both Japanese and English immersion, students are exposed to a wide range of content learning areas, such as Math, Science, Social Studies, Art, Music and Physical Education.

Mission

To broaden the horizons of students in Georgia to a diverse international community so that they may become global citizens who promote peace around the world.

To prevent this, we kindly ask all members of the community to respect and adhere to the procedures. Please note that the school day ends for elementary school (ES) at 2:45 pm and for middle school (MS) at 3:08 pm Monday - Thursday. Habitual failure to meet the final pick-up time will result in a report being filed with the Department of Family and Children's Services (DFCS), as it is considered abandonment and may also lead to possible dismissal from ICAGeorgia.

Class Placement

Class placements are carefully determined by school administration and instructional staff based on multiple factors intended to support balanced classrooms and student success.

Placement considerations may include:

- Academic data and instructional needs
- Language proficiency and immersion program balance
- Student services and support needs
- Classroom composition and peer dynamics
- Social-emotional and behavioral considerations

Due to the specialized nature of ICAGeorgia's dual language immersion model and the limited number of classrooms per grade level, requests for specific teachers, classmates, or separation from particular students may not be accommodated.

Final classroom placement decisions are made at the discretion of the school and are intended to support the overall learning environment for all students.

Car Rider Procedures (2026–2027 School Year)

ICAGeorgia encourages families to carpool in order to support an efficient arrival and dismissal process. While the school does not coordinate carpools, the school may assist in connecting interested families. The safe arrival and dismissal of students is a top priority. All families are expected to adhere to the procedures outlined below.

Traffic Flow Procedures

ICAGeorgia operates a single entry and exit system for all car riders.

All vehicles must enter campus using the following route:

- Enter from Engineering Drive only
- Turn right onto Campus Way
- Proceed in a single line past the athletic field
- Enter the designated pick-up/drop-off zone

Upon exiting campus:

- Vehicles will merge into a single line
- Turn right onto Campus Way
- Exit onto Engineering Drive

Restricted Access

Spalding Drive may not be used for student arrival or dismissal at any time. This restriction is in place due to safety concerns and the increased risk of traffic incidents. All families must use Engineering Drive to access the campus.

Pick-Up and Drop-Off Procedures

One or Two lanes may be utilized in the designated pick-up/drop-off zone. All vehicle movement will be directed by school staff. Drivers are expected to follow all directions promptly.

Students must be prepared to enter or exit the vehicle immediately upon arrival at the loading area. Backpacks and personal belongings should be ready prior to reaching the drop-off or pick-up point. Delays in loading or unloading may result in traffic backups and must be avoided.

Early Drop Off Arrival and Early Pick-Up

Early drop off arrival begins at 7:30 a.m. Families arriving after this time may experience delays entering campus.

Early check-out ends at 2:20 p.m. Monday - Thursday, 1:30 p.m. on Fridays, and early dismissal 11:45 a.m. After this time, students will be dismissed through the standard dismissal process. The school is not responsible for delays experienced after the early pick-up window has closed.

Carpool Tags

All vehicles participating in carpool must display the current school-year carpool tag. Vehicles without a valid tag will be directed out of the carpool line and required to park and report to the front office to complete student pick-up after dismissal has concluded. School issue carpool tags may not be duplicated or they are deemed invalid. This is for safety reasons. Thank you for your cooperation.

Identification and Authorized Pick-Up

Any individual picking up a student without a carpool tag must report to the front office and present a valid photo identification. The individual must be listed on the student's authorized pick-up list (Office Card). No exceptions will be made.

Walk-up requests and identification checks during dismissal will be asked to wait until the conclusion of the dismissal process.

Communication During Arrival and Dismissal

For safety reasons, parents may not engage staff in conversation during arrival or dismissal. If communication with a teacher or staff member is needed, families should schedule an appointment or contact the front office during regular business hours.

Dismissal Times

Carpool dismissal ends at 3:15 p.m. Monday through Thursday and at 2:30 p.m. on Fridays. Parents arriving after dismissal has ended will be required to park and report to the front office to pick up their child.

Compliance

Adherence to these procedures is required to maintain a safe and efficient environment for all students and families. Failure to follow established procedures may result in delays and/or additional directives from school administration.

Admissions and Enrollment

ICAGeorgia is an open-enrollment public charter school and admits students in accordance with O.C.G.A. 20-2-2066 (1)(A). The school does not discriminate on the basis of race, color, nationality, ethnic origin, religion, sex, sexual orientation, or gender.

ICAGeorgia serves students residing in the state of Georgia. All eligible students who submit a timely application will be considered for enrollment. If the number of applicants exceeds available capacity in a grade level, program, class, or building, admission will be determined through a random lottery process.

Open Enrollment and Application Process

ICAGeorgia offers at least one open enrollment period annually for each grade level served, subject to available space.

- The application window typically opens in January and closes prior to the lottery in March
- Applications are submitted through the school's online system (Lotterease) or via paper application upon request
- Application dates and procedures are published annually on the school website

Applications may only be used to verify residency and basic eligibility. ICAGeorgia does not request or consider:

- Academic records (grades, test scores)
- Disciplinary history
- Letters of recommendation
- Essays or resumes

Additional documentation is collected only after enrollment is offered and accepted.

Japanese Language Proficiency Requirement (Grades 2–8)

Beginning with the 2026–2027 school year, students applying for Grades 2 through 8 must demonstrate Japanese language proficiency prior to entering the lottery, unless an exemption applies.

- Proficiency is measured using the Avant STAMP 4Se assessment (Reading, Writing, Listening, and Speaking)
- Students must meet the minimum required proficiency level established by the school in order to be eligible for lottery participation

Students with Prior Japanese Experience or Assessments

Students who have prior experience in Japanese may submit additional documentation to support placement and eligibility. This may include:

- Prior standardized language assessments

- School transcripts from Japanese immersion or language programs
- Teacher recommendations or program verification (post-lottery, if applicable)

ICAGeorgia may review submitted documentation to:

- Determine whether the student meets proficiency requirements
- Inform appropriate placement decisions upon enrollment

However, all students may still be required to complete the school-administered assessment to ensure consistency in evaluation.

Enrollment Priorities

In accordance with Georgia law, ICAGeorgia provides enrollment priority in the following order:

1. Siblings of currently enrolled students
2. Children of full-time or part-time (minimum 20 hours per week) ICAGeorgia staff
3. Children of the ICAGeorgia Founding Board

Siblings are defined as:

- Biological (including half-siblings) or adopted siblings
- Step-siblings residing in the same household
- Foster children residing in the same household

Lottery and Waitlist Procedures

If applications exceed available capacity, a random lottery will be conducted.

- The lottery is administered using a third-party system (Lottrease)
- The date, time, and procedures will be published on the school website
- Applicants are selected in random order until capacity is reached
- Remaining applicants are placed on a waitlist in lottery order

Parents will be notified of results via email.

- Families must confirm acceptance within the designated timeframe
- Failure to respond or submit required documentation will result in forfeiture of the seat
- Vacant seats will be filled from the waitlist in order

Late Applications

Applications received after the enrollment window will be considered late:

- If space is available, students will be admitted in the order applications are received
- If no space is available, students will be added to the waitlist in order of submission

Waitlist Policy

ICAGeorgia maintains a waitlist for the current school year only.

- Waitlists do not carry over from year to year

- Families must reapply annually if they wish to be considered for enrollment

Enrollment Requirements

Once a student is offered admission, families must complete the enrollment process within the specified timeframe.

Required documentation includes, but is not limited to:

- Proof of age (birth certificate or passport)
- Proof of residency (two documents)
- Immunization and health forms (GA Form 3231 and 3300)
- Academic records (report cards/transcripts)
- Special education documentation, if applicable

Failure to submit required documentation within the deadline may result in forfeiture of enrollment.

Commitment to Access and Equity

ICAGeorgia is committed to providing equitable access to all students. The admissions process is designed to ensure fairness, transparency, and compliance with state and federal guidelines while supporting the school's dual-language mission.

Homeschool Student Assessment

All students enrolling from a homeschool setting will complete a **benchmark assessment** in reading and mathematics as part of the placement process.

Assessment Guidelines

- Students enrolling at the **beginning of the school year** will be assessed on **previous grade-level standards**.
- Students enrolling **mid-year or later** may be assessed on:
 - Previous grade-level standards, and
 - Current grade-level standards to determine readiness

Placement Expectations

Students scoring below 80% in reading or mathematics on the benchmark assessment may be placed in the previous grade level when assessment results indicate insufficient mastery of grade-level standards.

Final placement decisions are made at the discretion of the school to ensure student success. ICAGeorgia is committed to ensuring all students are placed in a learning environment where they can be successful and supported.

ICAGeorgia Attendance Policy

Attendance Expectations

Regular school attendance is essential for academic success and student well-being. ICAGeorgia expects all students to attend school daily, arrive on time, and remain for the full instructional day.

Attendance is a shared responsibility between the school, students, and families. Our goal is to partner with families early to support consistent attendance and prevent chronic absenteeism.

Key Definitions

- Tardy: Arriving after the official start time
- Unexcused Absence: An absence that does not meet state criteria
- Truancy: More than five (5) unexcused absences in a school year
- Chronic Absenteeism: Missing 10% or more of school days (excused or unexcused)
- Compulsory Attendance: Georgia Law requires children between the ages of 6 and 16 to attend school regularly in accordance with O.C.G.A. 20-2-690.1.

Reporting Absences

Parents/guardians must report absences using the school Attendance [Form](#). In emergency situations, families should contact the front office directly.

- Documentation (doctor's note or parent note) must be submitted within 5 school days
- Absences without documentation will be marked unexcused
- For absences of 3 or more consecutive days, a doctor's note or written explanation is required

Excused Absences

Absences may be excused for the following:

- Illness or medical appointments
- Serious illness or death in the immediate family
- Court orders or government mandates
- Religious holidays observed by the faith of the student
- Hazardous weather or safety conditions
- Other absences approved by school administration in accordance with school policy and state law.
- School-sponsored activities or events (e.g., field trips, athletic events, academic competitions), when students are officially representing ICAGeorgia
- Excused absences are determined in accordance with Georgia State Board Rule 160-5-1-.10 and school policy.

Weather and Emergency Closures

ICAGeorgia is considered open for instruction during normal operations, including periods of inclement weather, unless otherwise communicated by the school.

School closures, delayed openings, or early dismissals will only occur when officially announced by ICAGeorgia through approved emergency communication systems (e.g., school notifications, email, phone alerts, and/or local news outlets). Families should not assume closure unless an official notification has been issued.

Unexcused Absences

Examples include (but are not limited to):

- Oversleeping
- Vacations or recreational travel during the regular school calendar
- Personal errands (shopping, appointments, etc.)
- Transportation issues without prior approval
- Other avoidable absences not recognized under state law or school policy

Please be aware that after (3) unexcused tardies this will be counted as an unexcused absence, after 5 unexcused absences your student will not be allowed to attend the next scheduled field trip.

Attendance Monitoring & Support (MTSS-Aligned)

ICAGeorgia uses a tiered support system to monitor attendance and provide early intervention:

Early Support (3 Absences)**School staff will contact families to:**

- Share concerns
- Identify possible barriers
- Offer support

Attendance Concern (5 Unexcused Absences) (*Required by Georgia law*)

All visitors to International Charter Academy of Georgia must go directly to the main office upon entering the building to officially register as a guest and receive a visitor badge/sticker. Guests must wear a visitor's badge/sticker at all times during the visit. All guests are expected to respect the teacher's duty to provide instruction from 7:45am-2:45pm. All classroom visits must be pre-arranged with either a teacher or administrator. If guests are interacting with or presenting to students, they must collaborate with the classroom teacher to obtain prior approval from the school principal and provide details about the presentation in advance.

First Offense

- Device confiscated and submitted to school administration.
- Parent/guardian notified.
- Parent/guardian must retrieve the device from the school.

Second Offense

- Device confiscated.
- Parent/guardian conference required.
- Additional disciplinary consequences may be assigned in accordance with the Student Code of Conduct.

Repeated or Serious Violations

Repeated violations, refusal to surrender a device upon request, unauthorized recording, cyberbullying, threats, academic dishonesty, or other serious misuse of technology may result in additional disciplinary action, including suspension, loss of technology privileges, or referral to law enforcement when appropriate.

Liability

ICAGeorgia is not responsible for the loss, theft, damage, or unauthorized use of personal electronic devices brought to school. Students bring such devices entirely at their own risk.

Photography

Students may be photographed, videotaped, or interviewed by school officials or the news media at school or during a school activity or event and such photographs, video tapes, and interviews may be published, including internet publication. If you, as a parent/guardian, object to your child being photographed, videotaped, interviewed, or having his/her work displayed, the objection must be presented in writing to the school's front office within 10 days after the first day of school.

Students may bring lunch from home or order through ICAGeorgia's approved lunch vendor. Additional information regarding the vendor and ordering process is available on the ICAGeorgia website and in the weekly Parent Bulletin.

Students are not permitted to use a microwave. All lunch items must be ready to eat upon arrival.

Commercial fast food, restaurant deliveries, and canned or bottled soft drinks are not permitted.

If a parent chooses to drop off a lunch during the school day, it must be delivered to the front office no later than 10:30 AM.

Emergency Lunch Procedures

Parents/guardians are responsible for ensuring that students arrive at school each day with a lunch unless participating in the school lunch program.

If a student arrives at school without a lunch, ICAGeorgia will provide an emergency meal to ensure the student's immediate needs are met. Emergency meals are intended for occasional and unforeseen situations only and should not replace regular meal planning responsibilities.

The cost of the emergency meal will be charged to the student's account and remains the financial responsibility of the parent/guardian. No student will be denied a meal due to an unpaid balance.

Repeated emergency lunch requests, lack of parent response, or ongoing unpaid balances may result in administrative intervention, including parent conferences, financial accountability measures, and review of additional student support needs.

To support school operations and student supervision, families should not expect staff to leave campus during the school day to purchase meals.

Parent Lunch Visits

Parents who wish to have lunch with their child must submit a request at least one week in advance by emailing: department-of-ed@internationalcharteracademy.org

- All requests must be approved a week in advance

Visitor Expectations:

- All visitors must check in at the main office and receive a visitor badge

Outdoor picnic areas are reserved for school use and are not available for lunch visits unless otherwise approved.

Food Allergy / Nut-Free School

ICAGeorgia is a peanut- and tree nut-free school. To help ensure the safety of students and staff with severe food allergies, families must not send foods containing peanuts, tree nuts, nut butters, or products made with peanuts or tree nuts to school.

Examples include, but are not limited to:

- Peanut butter and peanut-containing products
- Almonds, walnuts, pecans, cashews, pistachios, hazelnuts, and other tree nuts
- Nut butters and nut-based spreads
- Foods containing peanuts or tree nuts as ingredients

If a student brings a lunch containing peanuts, tree nuts, or products made with peanuts or tree nuts, the student may be required to eat in a designated alternate area and a notification will be sent to the parent/guardian.

Exposure to peanuts and tree nuts can cause severe allergic reactions, including life-threatening situations. Families are asked to carefully review ingredient labels before sending food items to school.

Parties & Celebrations

ICAGeorgia values celebrating birthdays, holidays, and special occasions. Due to health and safety considerations, families are strongly encouraged to provide non-food items, such as:

- A classroom game
- A book for the classroom
- Small student items (e.g., pencils, erasers, markers)

If food is provided:

- Items must be commercially prepared
- Homemade food items are not permitted
- All items must comply with the school's **NUT-free** policy
- **Prior approval from the classroom teacher is required**

Please coordinate with the classroom teacher before bringing any items to the school. Parents are not permitted to enter classrooms. All items must be dropped off at the front office.

To support a positive and inclusive classroom environment, we ask that invitations only be distributed at school if they include the entire class. If families prefer to invite a smaller group, we ask that invitations be shared outside of school.

ICAGeorgia respects that some families may not celebrate birthdays. Parents/guardians are encouraged to notify their child's teacher in advance so appropriate accommodations can be made.

Free & Reduced Lunch Program

ICAGeorgia offers a Free and Reduced Lunch Program for eligible families. Applications are available in the main office or the school website.

Families are responsible for providing lunch until official approval is received from the school.

Emergency Delays or Closings

In the event of inclement weather, ICAGeorgia will make an inclement weather decision. We will announce delayed start time, early dismissal or school closing via local news outlets and all in-house communication vehicles including our website, email, text, and social media. Please know that our students and staff members come to us from a large geographical area, and even if you may not have inclement weather in your area, your child's classmates might. We want to make every effort to ensure that our community is safe at all times. If you feel that you should not travel for safety reasons, please inform the office, and keep your child safe.

Families will receive an email from info@internationalcharteracademy.org or text via the school messenger if the school closes or is delayed during inclement weather. Please also check the following media sources:

- Local News: Channel 2 WSB-TV or <https://www.wsbtv.com/weather/school-closings/>
- Facebook: <https://www.facebook.com/internationalcharteracademyofgeorgia/>
- School Website: <https://www.internationalcharteracademy.org/>

Emergency Procedures

Your child's safety is paramount. We are required by law to hold fire, lockdown and inclement weather drills on a regular basis. ICAGeorgia will train students and staff members on safety procedures. Additionally, it is critical for the school to be able to contact parents/guardians at any time students are at school. The school must have the parents'/guardians' current address and home, cellular, and business telephone numbers. Emergency contact persons/guardians and their telephone numbers are needed in case a parent/guardian cannot be reached. This information is required at the time of registration and whenever a change occurs with the parents'/guardians' address, telephone or emergency contact information.

Drills

Georgia law requires all public schools to perform drills throughout the school year. Drills are not publicly announced. ICAGeorgia will perform monthly fire drills or severe weather drills (twice a year) to ensure students and staff are prepared in the event of a real emergency.

ICAGeorgia will perform at least one intruder alert drill per school year. Parents will be notified via school messenger text at the start and conclusion of the drill. Please refrain from contacting the office during the drill. Parents who wish to opt out of intruder alert drills will be notified the day of the drill. Parents will keep their child at home for the day as the drill can happen at any time during the school day.

Medical/Illness

Signs and symptoms of illness can appear suddenly. They can progress rapidly in children, and infections spread easily in school settings. Many of our children are susceptible to viruses. In order to minimize the spread of illnesses, ICAGeorgia requests that you keep your child/children home if he/she exhibits any of the symptoms described below. If you are unsure as to whether or not your child's symptoms are indicative of an illness, we request that you keep your child home and contact their medical provider for guidance.

SYMPTOMS OF ILLNESS REQUIRING YOUR CHILD TO STAY HOME OR BE REMOVED FROM SCHOOL

- A temperature of 100.4 degrees Fahrenheit or higher
- One or more episodes of watery or loose stools or diarrhea
- Vomiting two or more times in a 24-hour period
- Rashes accompanied by fever, severe itching or discomfort
- Eye mucous or drainage, redness, swelling, or severe pain
- Children can experience much pain with an earache and are more comfortable at home.
- Severe sore throat accompanied by fever, swollen lymph nodes, or trouble swallowing or talking
- Constant runny nose with trouble breathing, fever, or inability to participate in classroom activities
- Constant cough causing trouble breathing, wheezing, vomiting, or inability to participate in daily activities
- Severe irritability or excessive sleepiness which can be signs of underlying illness

STUDENT ILLNESS DURING THE SCHOOL DAY & PARENT RESPONSIBILITY

If a student becomes ill during the school day and exhibits symptoms outlined above (fever, vomiting, diarrhea, or other symptoms that limit participation), the student will be sent to the clinic and a parent/guardian will be contacted for immediate pickup.

Parent/Guardian Expectations

- Parents/guardians are expected to pick up their child within one (1) hour of being notified that their child is ill.
- Parents must ensure that all contact numbers are current and accessible during the school day.
- Parents must also ensure that designated emergency contacts are available and able to pick up the student if the parent/guardian is unavailable.

Communication & Follow-Up

- The school will make reasonable attempts to contact parents/guardians and emergency contacts using the information provided.
- If a parent/guardian cannot be reached, the school will continue to contact listed emergency contacts until a responsible adult is reached.

Health & Safety Considerations

Students who are ill:

- may not remain in class due to the risk of spreading illness
- may not return to class once symptoms requiring exclusion are identified

Timely pickup is essential to:

- ensure the health and comfort of the student
- prevent the spread of illness
- allow school staff to effectively support all students

Failure to Pick Up in a Timely Manner

Failure to pick up a student within the expected timeframe may result in:

- documentation of the incident
- administrative follow-up
- a parent conference if delays become repeated

PROCEDURE FOR STUDENTS RETURNING TO SCHOOL AFTER FEVER, SIGNIFICANT ILLNESS, INJURY OR SURGERY:

- Students may return to school once it has been at least 24 hours since their last fever, episode or vomiting or diarrhea without the use of medication.
- If they have been started on antibiotics for an infection they need to complete 24 hours of antibiotics before returning to school.
- For rashes, the rash should be resolved or a doctors note should confirm the rash is not contagious and when the child may return to school.
- We ask that parents notify the school nurse of any communicable diseases that are diagnosed so we can remain vigilant in identifying symptoms in other children and excluding them to minimize the spread.
- In the event that a student is absent for three or more consecutive days, is hospitalized, or has a change in their functional status (i.e. change in weight bearing status, functional restriction, etc.) due to illness or injury, please provide the school nurse with documentation from the physician noting any change in medications or restrictions including start date, date of return to school, or changes in activities.
- For injuries, please provide specific instructions from the physician regarding any restrictions or accommodations related to physical activity, therapy and/or equipment use. In order to use the elevator, we must have a physician's note explicitly stating the necessity. The physician should also include a specific time frame for the restrictions. Without this information the student may not be able to participate in his/her regularly scheduled activities, including therapies.
- ICAGeorgia recommends that in all of the above situations that a parent/guardian calls the school nurse prior to the student returning. All documentation can be sent to info@internationalcharteracademy.org or be handed in to the front desk.

Medication

Whenever possible, medications should be given at home. However, we realize that for a student to maintain school attendance, certain medications may be required during school hours. In an effort to prioritize student and staff safety, the school has specific policies and procedures for medications administered at school. NO medications will be given without prior written permission. For your child to receive medication at school, you will need to complete the Medication Permission Form.

Please take the time to read the guidelines below carefully. These policies will require cooperation and communication between parents and school personnel.

1. Medications received at school must be in the original container and properly labeled with the student's name and date of birth. We will not administer any medication that is in unlabeled bottles, zip-lock bags or aluminum foil.
2. Non-prescription medications (over the counter medications) are prohibited unless there is a doctor's note or emergency action plan on file that specifies necessity. All medications that can be given at home, should be given at home (i.e. allergy medications, preventative inhalers, etc). Prior to administration school personnel must be able to contact the parent to confirm the last time the child had the medication to avoid any potential overdoses. If we are unable to reach you, the medication will not be given.
3. PRN or as needed medications are prohibited unless they are emergency medications (EpiPens, Albuterol inhalers, etc).
4. Prescription medications must be brought to the school in the original prescription container labeled with the student's name, date prescribed, instructions for administering, name of drug and dosage, name of issuing health care provider, expiration date, and route medication is to be given. Pharmacies can give additional bottles with labels.
5. School staff will dispense medications only as directed on the original labeled container. It is the responsibility of the parent/guardian to notify the school if changes in the medication, dosage, and/or time of administration are requested and a new original container must be provided.
6. It is the responsibility of the parent/guardian to inform the school, in writing, of any changes in pertinent data. A new "Medication Permission Form" must be provided indicating requested changes.
7. It is the responsibility of the parent/guardian to deliver ALL medication to the nurse or other designated school personnel. You may NOT send medication in a child's bookbag with them.
8. If an emergency medication is to be carried by the student and not kept in the clinic there is a "Student Authorization to Carry" form that must be completed by the parent. It is the responsibility of the parent and student to ensure capability of self administration.
9. It is the responsibility of the parent/guardian to keep the school supplied with adequate amounts of medication.

Elevator Usage

Use of the school elevator by students requires prior written documentation from a licensed healthcare provider specifying the medical necessity and time period for which the accommodation is valid.

- Cellular telephones
- Computers and tablets
- Cameras or recording devices
- Social media platforms
- Text messages

Reports may be made verbally or in writing.

Investigation and Response

All reports of bullying will be taken seriously and investigated promptly. The school will ensure the safety and well-being of all students involved, conduct a thorough investigation, which may include staff interviews, review of available documentation, and review of video footage when applicable and implement appropriate disciplinary and corrective actions. Retaliation against any individual who reports bullying or participates in an investigation is strictly prohibited.

Documentation of Incidents

All reported incidents of bullying will be documented and maintained in accordance with school procedures. The school will monitor and follow up on reported incidents to ensure that concerns are resolved and that no ongoing issues are present. Documentation will include:

While specific disciplinary actions regarding other students may not be disclosed, the school will communicate that the matter has been addressed and appropriate action has been taken. Due to student privacy laws, certain information, including details involving other students and video recordings, may not be shared directly with parents. The school will provide a summary of findings and actions taken.

Disciplinary Action

Students found to have engaged in bullying will be subject to disciplinary action in accordance with the Student Code of Conduct. Consequences may include:

- Parent/guardian notification

Reported incidents of bullying, harassment, intimidation or retaliation that have occurred outside the jurisdiction of the school and have not disrupted the ICAGeorgia environment shall be reported to the students' parents/guardians. Disciplinary action may also be necessary if off-campus behavior results in a disruption to the ICAGeorgia school environment.

Bullying FlowChart

Adapted from Texas State: Texas School Safety Center & Georgia Department of Education

Note: A single incident, while serious, does not automatically constitute bullying unless it meets the criteria outlined above.

Code of Conduct

At ICAGeorgia, we believe in creating schools that foster the natural potential and curiosity of our students by providing high quality instruction, accountability and support in a safe and nurturing

learning environment. We understand that providing this environment requires the thoughtful planning of a fair, student-centered school wide community building and discipline plan. This means that in our classrooms, we must provide explicit instruction and support about our mission, core values, expectations and non-negotiables. Helping students learn valuable life lessons like making good choices lead to good consequences and making bad choices lead to bad consequences is also a significant part of this process.

In general, the school's core values are aligned to the mission and will inform our approach to community building, celebration and accountability.

W.O.R.L.D. PEACE

(We own our responsibility to lead and devote ourselves to promote world peace)

MNEMONIC	MEANING	CORE VALUE
W	We	DIVERSITY
O	Own our	ACCOUNTABILITY
R	Responsibility to	RESPONSIBILITY
L	Lead and	LEADERSHIP
D	Devote ourselves to peace	COMMITMENT

While there is no simple formula for creating the perfect large-scale community building and accountability system, the ideals below will provide clear, developmentally appropriate consequences for a wide range of students' choices. This formula will serve as a guideline for holding our students accountable for both good and poor choices either in our classrooms or common areas. The successful implementation of W.O.R.L.D PEACE will include a sense of purpose, consistent committed adult leadership and support, check-ins for reflection, student-led programs and activities, program supervision, and the integration of community building activities into the regular school day.

Standards of Behavior

Standards for student behavior during school hours, at school-related functions, and on school buses designed to create the expectation that students will behave themselves in such a way so as to facilitate a learning environment for themselves and other students, respect each other and school employees, obey student behavior policies and obey student behavior rules established and adopted by ICAGeorgia.

The following are prohibited behaviors: verbal assault, including threatening violence, of teachers, administrators, and other school personnel, physical assault or battery of teachers, administrators or other school personnel, disrespectful conduct towards teachers, administrator, other school personnel, persons attending school related functions or other student, including use of vulgar or profane language, Verbal assault of other students, including threatening violence or sexual harassment as defined pursuant to Title IX of the Education Amendments of 1972, physical assault or battery of other students, willful or malicious damage to real or personal property of the school or to personal property of any person legitimately at the school, inciting, advising, or counseling of others to engage in

prohibited acts, marking defacing or destroying school property or the property of another student, possession of a weapon, unlawful use or possession of illegal drugs or alcohol, willful and persistent violation of student codes of conduct, bullying, students in grades 6 through 8 that commit the offense of bullying for the third time in a school year shall be referred to an alternative school.

ICAGeorgia School Discipline Policy

Consequence Ladder

A child who is sent to the office will lose school wide privileges [Loss of Privileges = LOP] including field trips, and other school events: NO EXCEPTIONS. Further, a student with three or more office referrals will be placed on a behavior plan (see charts below). Office referrals are indicated as visits with an administrator/ deans.

Teachers and staff will follow the procedure below for each office referral:

- 1st Office Referral - The teacher will call the parent/guardian to explain the incident that led to the office referral. The child will lose schoolwide privileges for one week (five days).
- 2nd Office Referral - The teacher will schedule a parent-teacher conference to discuss the incident that led to the office referral. The child will lose schoolwide privileges for ten days/two weeks.
- 3rd Office Referral - The child will be sent home immediately. He/she may not return without a parent. The parent will meet with the teacher, principal and child the following morning between 7:45am - 8:15am to discuss next steps including but not limited to loss of privileges and a behavior plan.
- 4th Office Referral - The principal or designee may request that the parent/guardian will shadow the student during class. The child will remain on the behavior plan and will still not be allowed to participate in school wide events. If the pattern continues, the school will make recommendations to the SST, Sped and/or counseling teams.

Discipline Procedures

Discipline is the process of changing a student's behavior from inappropriate to exemplary. We are never satisfied with merely stopping poor behaviors; we desire to teach the student to do what is right. We do not discipline a student out of anger or for the sake of convenience. Though few students desire discipline, they often need structure and clear expectations to reach their full potential.

Each teacher will establish appropriate procedures for discipline in his/her classroom based on these guidelines. The following list is not all-inclusive:

1. Students are expected to respect the authority of school personnel which includes but is not limited to administration, teachers, staff, and substitutes.
2. Malicious destruction of school property will result in the replacement, repair, or payment for damages by either the student or his/her parents. The placement of stickers on school property is forbidden.
3. Students shall help keep the school clean at all times. There is to be no gum chewing in the school building or on school grounds.
4. Items such as water pistols, matches, iPods, skateboards, handheld game devices, toys, of any sort, etc. are not permitted on school grounds.
5. Weapons or anything used with the intent to cause harm are not permitted on school grounds or school activities on or off campus.
6. No items will be permitted that carry pictures or slogans referring to drugs culture or alcohol. No profane, abusive or slang language is to be used.
7. All students will follow the established school cell phone policy. Cell phones or other personal electronic devices should not be brought to school and use is prohibited during school hours. School phones are available in case of emergency. Possession of a cell phone or other personal electronic devices during the school day will result in the equipment being collected and returned directly to the parent.
8. There is zero tolerance for aggression, drugs, and alcohol on campus. Students that push, hit, bite, kick, harass, bully, threaten School Safety or use the internet in a negative way will be assigned an appropriate consequence, up to and including suspension or dismissal from the school.

Video Review and Student Privacy

The school may use video footage as part of reviewing student incidents to ensure accurate understanding of events.

Due to student privacy laws, including the Family Educational Rights and Privacy Act (FERPA), video recordings that include multiple students are considered part of the educational record of all students captured.

As a result:

- Video footage will be reviewed by school administration as part of the investigation process
- Video recordings will not be released, copied, or distributed to parents or guardians
- Video recordings will not be altered, edited, or redacted (e.g., blurring of other students) for the purpose of parent viewing
- In limited circumstances, the school may allow a parent to view video footage only if all required consents are obtained from other involved parties, and at the sole discretion of the school

The school will provide a summary of findings and actions taken based on its review of all available information, including video evidence when applicable. The school's determination will not be based solely on video footage but on a comprehensive review of all available information.

Detention Policy: See below for more information on detention

- 3rd Grade – 8th grade: 30 minutes - 1 hour after school (Teacher will coordinate with family)
- Middle grades Saturday School

LEVELS OF DISCIPLINARY ACTION

The International Charter Academy of Georgia has aligned its school code of Conduct and enforced with Administrative Consequences and, or Intervention's outline in the [Georgia Department of Education Discipline Matrix](#). The Discipline Matrix is a tool for administrators to respond appropriately when students have committed school violations, per the Code of Student Conduct. This tool is designed to offer consistency at all levels across all grade levels so that students are disciplined fairly when their behavior requires consequences and, or interventions beyond the classroom.

There are three (3) levels of disciplinary actions determined by the seriousness of the act and the prescribed action recommended by the Georgia Department of Education Discipline Matrix.

Level I Actions – In order to resolve Level I discipline problems, the following options are available:

- Conference with teacher
- Parent Contact
- Conference with teacher and parent(s)
- Conference with Principal or designee
- Conference with counselor
- Behavioral Contract
- Restorative Practice
- Restitution
- Detention (lunch or after school)

Level II Actions – In order to resolve a Level II offense, more formal disciplinary actions shall be used. Formal actions include, but are not limited to:

- Detention (after school administrative)
- Detention (after school teacher)
- Time out
- Restorative Practice
- Restitution
- Conference with Principal or designee
- Saturday School
- Out of school suspension if repeated offense (includes a writing assignment)
- Alternative to External Suspension (includes a writing assignment)

Level III Actions – In order to resolve Level III offenses, the options available are:

- Out of school suspension (includes a writing assignment)
- Dismissal from school/expulsion

AFTER-SCHOOL DETENTION

An administrator or teacher will complete the After-School Detention form which includes the date/time/location of the detention, description of why the detention was given, and the attempts made to contact parent/guardian. If a student misbehaves during After-School Detention or is late, they may be issued another behavioral consequence aligned to the Georgia Department of Education Discipline Matrix.

SATURDAY DETENTION

Saturday Detention may be assigned to those students whose behavior is consistently inappropriate. Saturday Detention is scheduled from 8:30-10:30 am; students are required to wear their school uniform and must complete homework/seatwork while serving the detention. There is zero tolerance for misbehavior. A student may be suspended for one day if they miss Saturday Detention, unless due to a family emergency or illness verified by a doctor's note.

SUSPENSION

Suspension is a disciplinary action that temporarily removes a student from a class or all classes for a prescribed period of time not to exceed ten (10) school days. The Principal or the Principal's designee shall make every effort to employ parental assistance with alternative consequences for misconduct prior to suspending a student except in emergencies, disruptive conditions or incidents involving serious misconduct. The student will also be required to write an essay explaining actions and plans of corrective behavior prior to returning to school after the suspension.

PERMANENT DISMISSAL

The Principal may recommend dismissal of a student to the ICAGeorgia Board of Directors for any of the following:

1. Possession, use of or transmission of a weapon including, but not limited to, a gun, knife, razor, explosive, ice pick, club, or tool.
2. Possession, use of or transmission of a substance capable of modifying mood or behavior.
3. Using any article as a weapon or in a manner calculated to threaten any person.
4. Committing a serious breach of conduct including, but not limited to, an assault on school personnel or on another pupil, making a threat or false report, lewd or lascivious act, arson, vandalism or any other such act, which disrupts or tends to disrupt the orderly conduct of any school activity.
5. Engaging in less serious but continuing misconduct including, but not limited to, the use of profane, obscene, or abusive language, or other acts that are detrimental to the educational function of the school and that have clearly transpired.

Suspendible and/or expulsion offenses include, but are not limited to, the following:

1. Fighting or other dangerous and/or disruptive behavior.
2. Smoking/vaping on school grounds.
3. Being under the influence or having alcoholic beverages and/or drugs on school grounds.
4. Possession and/or use of a weapon or any object that can be used as a weapon including but not limited to knives, brass knuckles, Chinese stars, chains, mace, etc.
5. Defacing or vandalizing school property.
6. Igniting any flammable substance.

Extracurricular Participation and Behavior

Participation in extracurricular activities, including athletics, is a privilege.

Students who receive disciplinary consequences may lose the ability to participate in extracurricular activities, including practices, competitions, and school events.

- Students assigned office referrals, suspension, or repeated behavioral infractions may be restricted or removed from participation
- Loss of privileges related to extracurricular activities may occur immediately and does not require multiple offenses
- Students must demonstrate consistent improvement before reinstatement

Final decisions regarding participation are at the discretion of school administration.

NONDISCRIMINATION POLICY:

ICAGeorgia operates on a policy of nondiscrimination based on race, color, national origin, sex, religion, creed, and disability in program services. ICAGeorgia respects the sincerely held religious beliefs of students and families. The school will provide reasonable accommodations for religious practices in accordance with applicable state and federal law.

Administrative Discretion in Student Discipline

The Accountability and Discipline Plan is intended to guide staff in providing interventions and consequences for student misconduct. Because it is not possible to anticipate every circumstance, school administrators retain the authority to determine appropriate interventions and consequences for behaviors not specifically addressed in this handbook.

Based on the nature, severity, frequency, or circumstances of a disciplinary violation, the Principal or designee may assign interventions or consequences that differ from or exceed those identified in the discipline matrix when deemed necessary to maintain a safe and orderly learning environment.

Disciplinary Hearing Procedures for Regular Education Students

Disciplinary Hearing Officers are independent decision makers appointed by ICAGeorgia to hear disciplinary matters. Individuals selected to serve as Disciplinary Hearing Officers will meet the training requirements included in O.C.G.A. 5 20-2759 and State Board of Education (SBOE) rule 160-4-8-.15. Notwithstanding anything to the contrary here within, Disciplinary Hearing Officers have the authority to issue a short-term suspension, long-term suspension, or expulsion of any student found to have violated the Code of Conduct.

If a disciplinary hearing is called, the student will be suspended from school until the hearing can be held. The hearing will be held no later than ten (10) school days after the beginning of the suspension unless the parent and school mutually agree to an extension or the conduct of the student or parent causes a delay beyond said ten-day (10) period. Prior to the hearing, students and parents will receive a notice to include the following:

- The rules which the student has allegedly violated.
- A description of the student's acts.
- The names of the witnesses who may testify against the student (witnesses may be added prior to and during the hearing).
- The maximum punishment that the student could receive.
- The time and place for the hearing.

A student disciplinary hearing is formal, although the strict rules of evidence as applied in a court do not apply in a disciplinary hearing. The school has the burden of proving that the student engaged in acts that violated the Student Code of Conduct. Students who deny that they have violated the Code of Conduct should be prepared to present evidence and or witnesses to prove that the student did not violate the Code of Conduct. The Disciplinary Hearing Officer will determine whether the student did or did not violate the Student Code of Conduct as set forth by the school. The Disciplinary Hearing Officer shall make a verbatim or written record of any information orally presented at the hearing. A transcript of the hearing will not be prepared unless there is an appeal to the Board of Directors.

All parties shall be afforded an opportunity to present and respond to evidence and to examine and cross-examine witnesses about any matters logically relevant to the charge against the student. The Disciplinary Hearing Officer may limit unproductively long or irrelevant questioning. The parents or legal guardian of the student and any victims may give testimony at the hearing and make a statement to the Disciplinary Hearing Officer concerning their feelings about the proper disposition of the case and to answer any questions. The student may be represented by counsel, at the student's expense, at the hearing. If parents intend to be represented by counsel at the disciplinary hearing, the parents must notify the school twenty-four (24) hours prior to the start of the hearing so that the school district may

elect to retain legal counsel to represent its interest. All parties shall be entitled to subpoena witnesses for the hearing. A student or parent/guardian shall submit all requests for subpoenas to the student's principal at least forty-eight (48) hours prior to the time of the disciplinary hearing.

The decision of the Disciplinary Hearing Officer may be appealed by submitting a written notice of appeal to the Principal within twenty (20) calendar days from the date the decision is made. The record and documentary evidence shall be kept on file by the Principal or designee for a period of twenty (20) days after the date of the decision of the Disciplinary Hearing Officer. If no appeal is filed within twenty (20) days of the date of the decision of the Disciplinary Hearing Officer, the record and documentary evidence may be destroyed. If an appeal is filed, the record and documentary evidence will be kept until thirty-one (31) days after the appeal(s) become final at which time the record and documentary evidence may be destroyed.

Parents/guardians should contact the school if they would like the notice and other documents related to the hearing in a language other than English. Language interpreter services are also available upon request for a student disciplinary hearing.

All student disciplinary proceedings and hearings conducted by either the Disciplinary Hearing Officer or the ICAGeorgia Governing Board are confidential and are not subject to the open meetings law. Only the following persons are permitted to attend a school disciplinary hearing conducted by a Disciplinary Hearing Officer: the accused student, parents or legal guardians of the accused student, legal counsel, a provider of interpretative services, school staff, and witnesses. Any written records, transcripts, exhibits or other documents assembled or used in any manner with regard to the conduct of any student disciplinary hearing are not public records and are not subject to public inspection.

When a hearing is appealed, the ICAGeorgia Governing Board will review the transcript of the hearing, make a decision based solely on the record, and notify students and parents in writing of the Board's decision. For the hearing before the Board, students have the right to be represented, at the students' and parents' expense, by an attorney. The attorney will not, however, be allowed to speak at the disciplinary hearing appeal. Students and parents may appeal the Board's decision to the State Board of Education by giving the Principal written notice within thirty (30) days of the decision of the Board.

Disciplinary Hearing Procedures for Students Who Receive Services Under Section 504 or IDEA

If a disciplinary hearing is called for a student who receives services under Section 504 or IDEA, the school will comply with the notification provisions for regular education students. The student will be suspended from school, no more than ten (10) days, until a manifestation determination hearing may be held, and a decision is rendered by the manifestation team as to whether the alleged behavior was a manifestation of the student's medical condition or disability. If the manifestation team determines that the behavior was a manifestation of the student's medical condition or disability for which the student is receiving services or accommodations, the disciplinary hearing will be concluded, and the manifestation team will determine the appropriate measures to insure that the student does not engage in the prohibited behavior. However, if the manifestation team determines that the alleged behavior was not a manifestation, the disciplinary hearing will proceed as set forth above.

Violence Against Teachers Or Other School Officials or Employees

ICAGeorgia will have zero tolerance of any kind of intentional violence or inappropriate touching inflicted on a ICAGeorgia school official or a ICAGeorgia employee. Students shall not inflict violence or inappropriate touching on ICAGeorgia or other school officials or employees. Physical violence shall include:

- Intentionally making physical contact of an insulting or provoking nature with the person
- Intentionally making physical contact which causes physical harm to another unless such physical contact or physical harm was in defense of him or herself.

Consequences for committing physical violence or inappropriate touching against a school official:

In the event a student is charged with violence or inappropriate touching against a school employee the student may be subject to suspension, expulsion and/ or criminal charges.

Weapons

Students are prohibited from possessing firearms (as defined by O.G.G.A. 16-11-127.1), dangerous weapons (as defined by O.G.G.A. 16-11-127) or hazardous objects (as defined by H.B. 826), while on school property or at school functions. Students who possess firearms on campus shall be expelled and will be referred to law enforcement officials. No person other than licensed police personnel will be allowed to carry a gun/weapon onto the property of ICAGeorgia or to any school function off or on the campus.

Inappropriate Behavior

International Charter Academy of Georgia will implement and follow state mandated process for students to follow in reporting instances of alleged inappropriate behavior by a teacher, administrator, or ICAGeorgia employee toward a student which will not prohibit the ability of a student to report the incident to law enforcement authorities as stated in O.C.G.A. § 20-2-751.7(a).

Student Reporting of Alleged Sexually Inappropriate Behavior

- 1) Any student (or parent or friend of a student) who has been the victim of an act of sexual abuse or sexual misconduct by a teacher, administrator or ICAGeorgia employee is urged to make an oral report of the act to any teacher, counselor or administrator at his/her school.
- 2) Any teacher, counselor or administrator receiving a report of sexual abuse or sexual misconduct of a student by a teacher, administrator or other employee will make an oral report of the incident immediately by telephone or otherwise to the Principal or Principal's designee, and will submit a written report of the incident to the Principal or Principal's designee within 24 hours. If the Principal is the person accused of the sexual abuse or sexual misconduct, the oral and written reports should be made to the Board Chair or the Board's designee.
- 3) The Principal or Principal's designee receiving a report of sexual abuse as defined in O.C.G.A. 19-7-5 will make an oral report immediately, but in no case later than 24 hours from the time there is reasonable cause to believe a child has been abused. The report should be made by telephone and followed by a written report in writing, if requested, to a child welfare agency providing protective services, as designated by the Department of Human Resources, or, in the absence of such agency, to an appropriate police authority or district attorney.

Reports of acts of sexual misconduct against a student by a teacher, administrator or other employee not covered by O.C.G.A. 19-7-5 or 20-2-1184 will be investigated immediately by school personnel. If the investigation of the allegation of sexual misconduct indicates a reasonable cause to believe that the report of sexual misconduct is valid, the Principal or Principal's designee will make an immediate written report to the Board Chair or the Board's designee and the Professional Standards Commission Ethics Division.

"Sexual abuse" means a person's employing, using, persuading, inducing, enticing, or coercing any minor who is not that person's spouse to engage in any sexual act as defined in O.C.G.A. 19-7-5.

Communication Policy and Guidelines

ICAGeorgia attracts strong support and respect from families, local businesses, and organizations. In line with our mission to develop ambassadors of global peace, we aim to communicate clearly and consistently with our community.

Weekly Parent Bulletin is published on Mondays (or the following day if a holiday falls on Monday) that details updates, upcoming parent meetings and events, and important information to keep you informed about the school. It is up to each parent to stay informed by reading the weekly bulletin.

Communication is used to inform current and prospective staff, parents, and families of our commitment to the successful development of our students, to provide a secure and positive environment for all, and address issues in a proactive manner.

Respectful, open, and timely communication is at the heart of the parent-school relationship. The procedures in this policy will ensure that all community members continue to work together in a positive and respectful manner to ensure the growth and learning of all students. It also outlines the most appropriate and effective methods for parents to communicate with the school and the communication guidelines for staff and students to follow.

Parent/Teacher/School Communication Policy

What parents can EXPECT

- Parent communications responded to within a reasonable time
- Requests for appointments responded to or scheduled within a reasonable time
- Parents to be notified about a single serious issue or ongoing problem
- Two formal conferences per year, other meetings, and calls within reason

What parents should NOT EXPECT

- Teachers responding to emails or phone calls during instructional time.
- Teachers returning a call after work hours
- Answering emails in the evening/weekends
- Access to the teacher's private phone number or email

When you should contact your child's teacher:

- Changes in family situation (divorce, new baby, move)
- Medical issues that arise or change
- Illness lasting longer than 3 days
- Safety issues, change in behavior at home
- Family emergencies, sleepless nights, play dates, appointments (send a note)
- Ongoing and pervasive problems/concerns at school or home

- When you can't keep a scheduled appointment
- When homework takes way more time than expected, or your child is unable to do most of it independently

When you have last-minute information for the teacher:

- Send a note
- Email the office at info@internationalcharteracademy.org

Communication that interferes with teaching and learning:

- Showing up at the classroom during the teacher's prep time before school or during the school day without an appointment
- Discussing an issue with the teacher when they come out to pick up their class in the morning and it's time for instruction to start
- Speaking to the teacher disrespectfully or angrily, especially in front of your child or other students
- Gossiping to other parents rather than discussing issues directly with staff members. Remember that you are the model of how you want your child to communicate.

Ways to help your child be more responsible and independent:

- Encourage your child to talk to the teacher about problems with homework or other issues at school. Send an email or note to the teacher so they're aware, simply saying, "Joe had a problem on the playground yesterday that he needs to talk to you about." Let the teacher take it from there.
- Have your child write a note to the teacher explaining why homework wasn't completed, then sign the note.
- Make your child responsible for carrying their own backpack and belongings to and from school – even in kindergarten!
- If your child is late, bring them to the office to fill out a tardy slip.
- Do not go into classrooms or hallways before or after school without an appointment.

Please note that bringing your child's lunch or belongings after the start of the school day discourages independence and sets a poor example. If you must drop something off for your child, you should check in the office. Staff will not call the classroom and interrupt instruction to deliver belongings to your child. Belongings left in the classroom after the end of the school day can be retrieved the following morning.

To increase mutual respect, remember:

- Teachers will make mistakes; they're human, too
- Teachers have their own families and lives; respect their privacy.
- We're all on the same team – your child's support team!
- Use age-appropriate language around children on campus and at the curb when you drop them off.
- Recognize that we won't always agree, but we promise to listen.
- Speak positively in front of your child.

Procedure for Parents with School-Related Issues

For Student Issues

- Step 1: Schedule an appointment with your child's teacher. Complete conference request form located online or in the front office.
- Step 2: Schedule an appointment to meet with your child's teacher and your child.
- Step 3: If you feel the issue needs further attention, schedule an appointment with the Principal and your teacher.

For School Site Issues

1. Write a letter with your concern and give it to the office staff.
 - a. The office staff will contact you with the answer or suggest another course of action.
2. Attend quarterly meetings with school leadership. Please confirm the schedule with the school event calendar for specific dates and times.

Child Find

[Child Find Procedures](#)

[State Rule: 160-4-7-.03](#)

Notification

Child Find is a process that the State of Georgia uses to identify, locate, and evaluate all children, birth through 21, who are suspected of having disabilities, including those who are homeless, are wards of the State or are attending private schools, regardless of the severity of their disability, and who are in need for special education and related services. Georgia schools have policies and procedures in place to ensure the identification, location, and evaluation of these children.

International Charter Academy of Georgia serves children in grades Kindergarten through 7th grade. ICAGeorgia completes Child Find responsibilities in a variety of ways which are included but are not limited to the following:

- Child Find notice and information posted on the ICAGeorgia campus
- Child Find information posted on the ICAGeorgia School Website via Handbook link
- ICAGeorgia Student Handbook
- Collaboration with other public agencies such as the Divisions of Mental Health, Family and Children's Services, and Community Health, parent request, and our Response to Intervention (RTI/SST process)

Student Services

Special Education

In accordance with state and federal guidelines, ICAGeorgia provides special education services to all qualifying students. Students with diagnosed exceptionalities receive services as outlined by their respective Individual Education Plans (IEPs). The special education team conducts re-evaluations, determinations of eligibility and individual education plans to make sure all students receive the accommodations and modifications they are entitled to under state and federal statutes. ICAGeorgia ensures that students are placed in the least restrictive environment as determined by their IEPs. Settings include small groups, interrelated, and resources. As a state charter school, ICAGeorgia operates in strict adherence to policies and procedures set forth in IDEA and the State Rules and

Regulations Pertaining to Special Education. The state rules, as well as parental rights may be referred to online at the following address:

<http://www.doe.k12.ga.us/Curriculum-Instruction-and-Assessment/Special-Education-Services/Pages/SpecialEducation-Rules.aspx>

Gifted and Talented

ICAGeorgia screens 1st through 8th grade students twice a year to determine gifted eligibility. At the beginning of the school year, gifted teachers review students' scores on any nationally normed tests to identify those who should be evaluated. Then, classroom teachers observe students and score them on specific traits, abilities and behaviors that may indicate giftedness. Parents also have the option of requesting that their child be referred for gifted assessment. ICAGeorgia uses a 3rd party assessment vendor to determine Gifted eligibility. These vendors determine eligibility and not ICAGeorgia personnel.

Currently, ICAGeorgia provides resources and support to all teachers in order to develop and nurture the gifts and talents of all of their students. Students who have been identified as gifted will receive robotics instruction and are expected to conduct PBL (Project Based Learning), targeted attention and be supported through the resource model. Gifted students may also be offered to take advanced classes taught by teachers in higher grades to meet their academic needs.

Identification Protocol Procedure

The following identification procedure will be followed during the school year (2025-2026): NEEDS UPDATING

Semester	Referrals	Screening	Individual Evaluation	Notification of Placement
1 st Semester	Aug. 1 – August 21	Aug. 1 – August 21	Aug.31 – Sept. 18	Sept. 21 – October 6

ESOL/ELL

What is ESOL?

ESOL is an acronym for the English to Speakers of Other Languages program. The ICAGeorgia ESOL Program offers transitional language instruction to any student who is identified as an English Language Learner (ELL).

What is an ELL student?

An ELL, or English Language Learner, is a student who (1) has a primary or home language other than English and (2) meets GA DOE's eligibility criteria for language assistance services.

How are ELs identified?

Under federal law, all students in grades K-12 who have a primary or home language other than English must be identified and potentially eligible students must be screened for language assistance. When any student enrolls in ICAGeorgia, the Home Language Survey (HLS) must be administered as part of the enrollment process. If a parent/guardian lists any language other than English on the registration form, your school's registrar or clerk should contact an ESOL teacher. An ESOL teacher will review available school records and/or screen the student's English proficiency using the state approved Georgia WIDA Screener.

Why is a student screened for ESOL services?

When a language minority student enrolls in ICAGeorgia after the first month of school, federal and state regulations require that he/she be interviewed or screened for English language proficiency within ten days of registration. Under State Board of Education Rule 160-4-5.02, “all students, whose parents have indicated on a Home Language Survey that a language other than English is spoken in the home or by the student, must take an English language proficiency test to determine eligibility for the ESOL Program or alternative placement for language assistance.”

When are parents and students notified of eligibility?

At the beginning of each school year, ESOL Teachers have thirty days to complete the assessment, identification, and parental notification of newly enrolled students’ eligibility for language assistance.

How is the ESOL Program at ICAGeorgia implemented?

The ESOL Program follows the dual immersion push-in model. This is a state approved delivery model which prioritizes students to receive the same content in all areas of English and Math to be in the general education classroom. Most of the teachers have already received and credentialed to provide ESOL services to students in the classroom. Students will receive additional support within the classroom in a small group format for Reading, Writing, Listening, and Speaking skills.

Assessments:

In order for students to exit the state approved ESOL program, they must participate in taking the ACCESS assessment in the spring of each school year. The state has created an exit score which the students must obtain in order to exit the program. Afterwards, students will be monitored for two years regarding their progress. In addition, all EL students must participate in all state assessments such as Gkids, ACCESS, and the Georgia Milestones each year.

In addition to these state assessments, students who are required to participate in language proficiency tests under Title III of the Elementary and Secondary Education Act must participate in the language proficiency test prescribed by the state. EL students enrolling for the first time in a U.S. school must participate in all SBOE-designated assessments and must be coded as a first time in U.S. school enrollee in state-required data collections. All scores resulting from the administration of state assessments will be removed from any statewide accountability calculations for the first year of a newly-arrived EL student’s enrollment in a U.S. school. Though not used for statewide accountability purposes in the first year, such scores will serve as the baseline for student growth calculations and be included beginning in year two of such students’ enrollment. Both achievement and growth will be included in statewide accountability calculations beginning in the third year of enrollment.

How are immigrant students identified?

A student who was born outside of the United States and who has been enrolled in an American school for less than a period of three years is identified as an immigrant student. These students are reported to the GA DOE as Title III Immigrant students when your school’s data clerk or registrar (1) enters the student’s birth country; (2) enters the date the student entered a US School; and (3) checks a field in the enrollment tab of Infinite Campus indicating that the student has been enrolled in an American school for less than three years.

Suicide Prevention Policy

ICAGeorgia shall provide to all personnel annual training in suicide awareness and prevention in accordance with state law and rules established by the Georgia Department of Education. The principal or designee shall develop procedures consistent with O.C.G.A. § 20 -2-779.1 to address, at a minimum, suicide prevention efforts, intervention, and post-vention. Such procedures shall be developed in consultation with school and community stakeholders, school employed mental health professionals, and suicide prevention experts. In accordance with state law, no person shall have a cause of action for any loss or damage caused by any act or omission resulting from the implementation of this policy or its implementing procedures, or resulting from any training, or lack thereof, required by state law or this policy. The training, or lack thereof, required by the provisions of state law shall not be construed to impose any specific duty of care. Neither the training nor the procedures are designed to impose ministerial duties but to provide a framework in which educators can exercise their professional judgment in the best interest of students.

HB 268 requires students in middle grades to receive at least one hour of suicide awareness prevention training a year and at least one hour of “evidence based,” Youth Violence Prevention training a year.

If a student is deemed to be at risk for a suicide attempt, ICAGeorgia will follow the Georgia Department of Education Policy for suicide awareness, prevention, intervention and post intervention. Parents will be notified by the School Principal unless child abuse is suspected or contacting the parent or guardian would endanger the health or well-being of the student. This would be determined by the principal or mental health professionals.

Student Records

It is the policy of International Charter Academy of Georgia that the school shall comply with the requirements of the Family Educational Rights and Privacy Act (FERPA), the Student Data Privacy, Accessibility, and Transparency Act of Georgia (the Act), and applicable provisions of Georgia law, including HB 268. For the purposes of this policy, a “parent” is defined as a natural parent, a guardian, or an individual acting as a parent in the absence of a parent or guardian. An “eligible student” is defined as a student who has reached 18 years of age or is attending an institution of postsecondary education. ICAGeorgia shall implement procedures whereby the principal is directed to provide an annual notification to parents of students currently in attendance and eligible students currently in attendance, including parents or eligible students who are disabled or who have a primary or home language other than English, of their rights under FERPA, the Act, and HB 268, either through a student handbook distributed to each student in the school or by any means that are reasonably likely to inform them of their rights.

The annual notification as required by FERPA will inform parents and eligible students of, and the applicable procedures related to, the following:

- Parents and eligible students have the right to inspect and review the student’s educational records.
- Parents and eligible students have the right to request an amendment to student educational records that are believed to be inaccurate, misleading, or in violation of student privacy rights.
- Parents and eligible students must give consent prior to the disclosure of personally identifiable information contained in their student’s or their own educational record.

- Parents and eligible students may file a complaint with the United States Department of Education concerning alleged failures of the District to comply with the requirements of FERPA.
- Generally, a parent or eligible student will be permitted to obtain a copy of the student's education records upon reasonable notice to the District and payment of reasonable copying costs, if applicable.

Family Educational Rights and Privacy Act (FERPA)

The confidentiality of student records shall be maintained in accordance with the Family Educational Rights and Privacy Act (FERPA). Access to student records is provided to parents, eligible students, and school officials with legitimate educational interests, as outlined in the annual FERPA notification.

With the exception of directory information as defined below, personally identifiable information from a student's education record will not be released without prior written consent of the parent or eligible student, except as authorized under FERPA regulations (34 C.F.R. § 99.31).

Unless a parent or eligible student submits a timely written request to the principal to opt out, certain information may be designated as "directory information" and may be disclosed upon request.

Public Events and Media

Please be advised that certain school events are public in nature. As such, photographs, video recordings, social media posts, and other forms of publicity may occur beyond the control of ICAGeorgia. These events may include, but are not limited to:

- Concerts
- Award ceremonies
- Athletic events
- Competitions
- Graduation and other year-end celebrations

Student names may appear in event programs, recognition lists, displayed student work, and the yearbook (which may include photographs), unless a parent or guardian submits a written request to withhold such information.

Release of Records

Each school maintains a record of all parties who have requested or obtained access to a student's education records.

When parent or eligible student consent is required for the release of records, the consent must be:

- In writing
- Signed and dated

The consent must also include:

1. The specific records to be released

2. The purpose of the disclosure
3. The party or parties to whom the records will be released

Important Notice Regarding Consent

While it is optional for parents or guardians to provide consent for the release of student records, please be aware that if consent is not provided:

- Records must be picked up in person by the parent/guardian
- The school cannot send records to third parties, including other schools, organizations, or programs

This requirement may result in delays in processing records requests.

Protection of Pupil Rights Amendment (PPRA)

PPRA affords parents of elementary and secondary students certain rights regarding the conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include, but are not limited to, the right to:

- *Consent* before students are required to submit to a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED) –
 1. Political affiliations or beliefs of the student or student’s parent;
 2. Mental or psychological problems of the student or student’s family;
 3. Sex behavior or attitudes;
 4. Illegal, anti-social, self-incriminating, or demeaning behavior;
 5. Critical appraisals of others with whom respondents have close family relationships;
 6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
 7. Religious practices, affiliations, or beliefs of the student or student’s parent; or
 8. Income, other than as required by law to determine program eligibility.
- *Receive notice and an opportunity to opt a student out of–*
 1. Any other protected information survey, regardless of funding;
 2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
 3. Activities involving collection, disclosure, or use of personal information collected from students for marketing or to sell or otherwise distribute the information to others. (This does not apply to the collection, disclosure, or use of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for, or to, students or educational institutions.)
- *Inspect*, upon request and before administration or use –
 1. Protected information surveys of students and surveys created by a third party;
 2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
 3. Instructional material used as part of the educational curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

ICAGeorgia has developed and adopted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. ICAGeorgia will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. ICAGeorgia will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation in the specific activity or survey. ICAGeorgia will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this direct notification requirement:

- Collection, disclosure, or use of personal information collected from students for marketing, sales, or other distribution.
- Administration of any protected information survey not funded in whole or in part by ED.
- Any non-emergency, invasive physical examination or screening as described above.

Parents who believe their rights have been violated may file a complaint with:

Mandated Reporting

Any school employee (teachers, administrators, counselors, visiting teachers, school social workers, psychologist) and volunteer who suspects child abuse or maltreatment is mandated to report and is authorized to report to DFCS and/or Law Enforcement as required by law pursuant to Code Section 19-7-5 of the Official Code of Georgia Annotated (O.C.G.A.).

Mandated reporters must report regardless of whether it is based on privileged/confidential communication.

As mandated by Georgia law O.C.G.A 19-7-5, any employee of ICAGeorgia having cause to believe that a child under the age of eighteen (18):

- has had physical injury or injuries inflicted upon the child other than by accidental means by a parent, caregiver or any person who attends to any child as an employee or volunteer of the school;
- has been neglected or exploited by a parent, caregiver or any person who attends to any child as an employee or volunteer of the school; or
- has been sexually assaulted, shall report their belief to the Principal and/or Superintendent.

The Principal, Superintendent, or designee shall make a report of child abuse and neglect to the appropriate Department of Family and Children Services (“DFCS”) as soon as reasonably possible, but no later than twenty-four (24) hours from the time there is reasonable cause to believe that suspected child abuse has occurred.

The Superintendent and/or Principal will provide training annually for professional staff in the identification of children suspected of being neglected or abused. The training will include procedures for reporting such cases. Training may be provided through Pro Solutions Training online service.

Mandated Reporter Requirements

1.If any employee has reasonable cause to suspect child abuse, sexual abuse, molestation, neglect or exploitation has occurred, the employee must report it or face criminal penalties and employment penalties, including but not limited to termination. When in doubt, the employee shall report the suspicion to protect the interest of the child and to fulfill their legal duty to report.

2.If any employee is aware of an allegation of child abuse of a student by a parent or caregiver (including an employee), the allegation shall be reported immediately and in accordance with this policy and as soon as possible. Employees should not wait until the end of the day or the following day to make a report under any circumstances. If you are unable to reach an administrator after several reasonable attempts, the employee should make the report themselves by calling the Child Abuse hotline (1-855-GACHILD). If an employee is made aware of allegations after-hours and feels the child is in immediate danger, the employee should call the hotline as well.

3.If any employee reports to the Superintendent or Principal that the employee has reasonable cause to suspect the student to child abuse, sexual abuse, molestation, neglect or exploitation, or that the employee has received an allegation of child abuse by a parent or caregiver (including employees), the Superintendent, Principal, or their designee shall submit a complete report to the Department of Family and Children Services as soon as possible, but no later than the 24 hour requirement.

4.If any employee is alleged to have committed child abuse or neglect, in addition to submitting a report to DFCS as required under Paragraph (3) above, the Superintendent and/or Principal shall conduct a prompt investigation to determine whether any inappropriate or unprofessional conduct was taken by the employee.

The Superintendent or Principal should:

- solicit the assistance of involved school employees to assist in their investigation; and,
- contact DFCS and request all documents pertaining to the employees' case, as allowed by law, and should interview the employee, if possible. If an employee refuses to cooperate in the school system's investigation, the employee may be charged with insubordination.

5.At a minimum, the findings of the investigation shall be submitted to the Board of Directors and should include:

- the steps taken to investigate the allegation;
- the findings as to whether the employee engaged in unprofessional or inappropriate conduct;
- the recommendation of what action should be taken, if any, as a result of the investigation; and,
- the rationale for recommendation action, if any, or rationale for lack of action, if any.

6.The legal requirement to report suspected child abuse or neglect is applicable to any adult school volunteer. Therefore, mandated reporter training will be required of all school volunteers. School volunteers will be notified of such reporting requirements and required training through the parent handbook and on the school website.

Child abuse defined consistent with O.C.G.A. 19-7-5(b)(5) means: Any physical injury or death inflicted upon a child by a parent, guardian, legal custodian, or other person responsible for the care of

such child by other than accidental means; provided, however, that physical forms of discipline may be used as long as there is no physical injury to the child, neglect of a child by a parent, guardian, legal custodian, or other person responsible for the care of such child, emotional abuse of a child, sexual abuse or sexual exploitation of a child, prenatal abuse of a child by a parent, an act or failure to act that presents an imminent risk of serious harm to the child's physical, mental or emotional health, or trafficking a child for labor servitude.

DFCS/Child Welfare Visits

Authorized Interviews: Under Georgia law, DFCS may interview students at school without prior parental consent when investigating allegations of abuse or neglect, in accordance with county Child Abuse Protocols and DFCS guidelines.

Parental Notification: DFCS generally informs the parent or guardian of the interview as soon as possible after it is conducted (DFCS Child Welfare Services Manual, Section 6.2).

School's Role: Staff must cooperate with DFCS, provide a safe space for interviews, and complete the DFCS Visit Documentation Form to record details.

Confidentiality: Information about the interview must remain confidential and any disclosure to parents should follow DFCS guidance and the outcome of the investigation.

(e) Nothing in this code section shall be construed to infringe on any right provided to students with Individualized Education Program pursuant to the federal Individuals with Disabilities Act of 1990.

Homeless Children and Youth

The McKinney-Vento Education for Homeless Children and Youth Act ensures certain educational rights and protections for children and youth experiencing homelessness. This law identifies any student who lacks a fixed, regular, and adequate nighttime residence as homeless. It provides legal protections for children and youth in homeless situations to immediately enroll in, attend, and succeed in school and qualifying public preschool programs. The law further provides for student records maintenance and transfer, school of origin transportation, and appropriate resolution for homeless students. In accordance with this law, International Charter Academy of Georgia affords children and youth experiencing homelessness equal access to the same free, appropriate public education - including comparable services, such as Title I support, special education, gifted, and English Learners (EL) - as provided to other non-homeless students. Children and youth experiencing homelessness will have access to needed services to support their academic achievement as they work to meet the same challenging standards to which all students are held.

Homeless Education Definitions

The term children and youths experiencing homelessness includes students who are otherwise legally entitled to, or eligible for, free, public education (including preschool), but who lack a fixed, regular, and adequate nighttime residence. The term also includes:

- Sharing the housing of other persons due to loss of housing, economic hardships, or a similar reason (sometimes referred to as doubled-up);
- Living in motels, hotels, trailer parks, or camping grounds due to lack of alternative adequate accommodations;
- Living in emergency or transitional shelters;
- Abandoned in hospitals; or
- Awaiting foster care placement;
- Children and youth who have a primary nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings;
- Children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and
- Migratory children who qualify as homeless because they are living in circumstances described above.

A child or youth is considered to be experiencing homelessness for as long as he or she is in a living situation outlined in the McKinney-Vento Act and until the end of the school year in which the student moves into permanent housing.

The term *unaccompanied* youth includes a youth not in the physical custody of a parent or guardian and who is homeless as defined by law. The more general term youth also includes unaccompanied youth.

The term *enroll* and enrollment include attending classes and participating fully in school activities.

Immediate means without delay.

Parent means a person having legal or physical custody of a child or youth. Legal guardians are included in this term.

School of origin means the school the child or youth attended when permanently housed or the school in which the child or youth was last enrolled.

Local Liaison is the staff person designated by the system's local educational agency (LEA) and each LEA in the state as the person responsible for carrying out the duties assigned to the liaison by the McKinney-Vento Homeless Assistance Act.

Identification

In collaboration with school personnel and community organizations, the local liaison or designee will identify children and youths experiencing homelessness in the district, both in and out of school, and maintain access to data regarding students in this situation. The local liaison or designee will train school personnel on possible indicators of homelessness, sensitivity in identifying families and youth experiencing homelessness, and procedures for forwarding information indicating homelessness to the liaison. The local liaison will also instruct school registrars and secretaries to offer homeless education information upon the enrollment and withdrawal of every student and to forward information indicating homelessness to the liaison.

The local liaison will keep data on the number of children and youths experiencing homelessness in the district - where they are living, their academic achievement (including performance on state and district-wide assessments), and the reason for any enrollment delays, interruption in their education, or school transfers.

School Selection

Each child and youth experiencing homelessness has the right to remain at his or her school of origin or to attend the school that serves students who live in the attendance zone in which the child or youth is actually living. Therefore, in selecting a school, children and youths experiencing homelessness shall remain at their schools of origin to the extent feasible, except when doing so is contrary to the wishes of the child's parents or guardian. Students may remain at their schools of origin the entire time they are in their situation and until the end of any academic year in which they become permanently housed. The same applies if a child or youth loses his or her housing between academic years. In addition, the student shall receive appropriate credit for full or partial course work satisfactorily completed while attending a prior school in accordance with state, local, and school policy.

Enrollment

Consistent, uninterrupted education is vital for academic achievement. Due to the realities of homelessness and mobility, students experiencing homelessness may not have school enrollment documents readily available. Nonetheless, the school selected for enrollment must immediately enroll any child or youth in this situation. Enrollment may not be denied or delayed due to the lack of any document normally required for enrollment.

Unaccompanied youth must also be immediately enrolled in school. They may either enroll themselves or be enrolled by a parent, non-parent caretaker, older sibling, or the LEA local liaison. If complete records are not available, IEP teams or other committees or school officials, as appropriate, must use good judgment in choosing the best course of action, balancing procedural requirements, and the provision of services. In all cases, the goal will be to avoid any disruption in all appropriate services. The International Charter Academy of Georgia Enrollment Plan seeks to eliminate barriers and ensures that enrollment under the McKinney-Vento Act may not be denied or delayed due to the lack of documentation normally required to enroll.

Such documents include:

- Proof of residency
- transcripts/school records

- Immunization or health records
- Proof of guardianship
- Birth certificate
- Unpaid school fees
- Lack of uniforms
- Any factor related to the student's living condition
- Any other documentation requirements

Transportation

Transportation is not offered to any student at the International Charter Academy of Georgia; however, ICAGeorgia will provide vouchers for public transportation when needed by any student considered experiencing homelessness.

Homeless School Liaison

The primary goal of the Homeless School Liaison is to eliminate barriers to school enrollment and promote academic success for all students. The Homeless School Liaison along with the school social workers serves as the link between families and community resources. The Homeless School Liaison is responsible for providing on-going training to families and schools and community resources in an effort to promote awareness, education and most of all sensitivity to the needs of families/students experiencing homelessness. Please contact the Homeless School Liaison (Operations Specialist) in the main office at 770-604-0007 for further information.

Boy Scouts of America Equal Access Act

The Office for Civil Rights (OCR) enforces the Boy Scouts of America Equal Access Act in public schools, LEAs and SEAs that receive Federal funds made available through the Department of Education. The Boy Scouts Act is part of the No Child Left Behind Act of 2001 that amended the Elementary and Secondary Education Act of 1965. Under the Boy Scouts Act, no such public school, LEA or SEA that provides an opportunity for one or more outside youth or community groups to meet on school premises or in school facilities shall deny equal access or a fair opportunity to meet to, or discriminate against, any group officially affiliated with the Boy Scouts of America, or any other youth group listed in Title 36 of the United States Code as a patriotic society, that wishes to meet at the school.

OCR is charged with enforcing the Boy Scouts of America Equal Access Act. Complaints alleging violations of this law may be filed using the OCR [online complaint form](#) or by contacting the OCR office with authority to handle complaints where the institution or entity you are complaining about is located.

Stakeholder Grievance Policies

International Charter Academy of Georgia is a multi-cultural, a multi-ethnic, multi-racial, multi-linguistic community working together to promote world peace through the exchange and mutual respect of both Japanese and American culture and languages. Likewise the mission of our school is “to promote world peace.” At ICAGeorgia, we understand that at times, peace will require conflict. Though we aspire to solve our issues in a healthy, peaceful manner—we understand that a more formalized process is required for more serious matters. Therefore, our district has established a set of procedures that must be followed when parents are dissatisfied with a certain teacher, central office staff, administrator, and/or policy and vice versa when teachers, central office staff or administrators are dissatisfied with a certain parent.

Note: All parties are encouraged to solve issues at the lowest level prior to filing a formal grievance.

Student or Parent Grievance

Below are the steps parents will follow when they are dissatisfied with a certain teacher, central office staff, administrator, and/or policy

Level I

The complaint shall be presented orally or in writing to the principal within ten (10) calendar days after the most recent incident upon which the complaint is based. Any witness or other evidence should be provided at this time. The administrator will conduct an investigation and render a written decision within ten (10) calendar days of the filing of the complaint.

Level II

A complainant dissatisfied with the decision of the principal may appeal to the principal by filing a written request to meet with the principal or principal designee. This request must be filed within ten (10) calendar days after the complainant receives the decision from the principal. The principal or designee will render a written decision within ten (10) calendar days after the meeting.

Level III

A complainant dissatisfied with the decision of the principal or principal designee may appeal to the ICAGeorgia Board of Directors by filing a written request. The appeal must be filed within ten (10) calendar days after the complainant receives the decision from the principal. The Board will act on the complaint at the next scheduled board meeting.

Teacher or Staff Grievance / Parent Conduct Policy

ICAGeorgia is committed to maintaining a safe, respectful, and professional environment for all members of the school community. Clear communication norms are essential to ensuring productive partnerships between families and staff.

Norms are the expectations that guide respectful interaction. When these expectations are not followed, the behavior is considered a “culture break.”

Examples of culture breaks include, but are not limited to:

- Communicating concerns to inappropriate staff members rather than following established channels
- Gossiping or spreading misinformation
- Refusal to follow school procedures (e.g., arrival, dismissal, safety protocols)
- Disruptive or uncooperative behavior during meetings
- Use of foul, abusive, or inappropriate language
- Aggressive, intimidating, or threatening behavior toward staff

Norms	Conflict Norms
• Take turns talking • Respect the time parameters • Respect others comments or concerns • No side bars/One mic • Active Listening • Follow up and follow through • Advocate for yourself and others openly and respectfully • Step outside of your comfort zone • Don't assume	• Time and Place • Choose your words carefully • Be Calm • Be transparent (open and honest) • Take turns speaking and listening without interruption • Ask for help • The power dynamic is equal and confidential during conflict • Support and hold teammates accountable • Forgive

Expectations for Parent/Guardian Conduct

All parents and guardians are expected to:

- Communicate respectfully with all staff at all times
- Follow established school procedures and protocols
- Participate in meetings in a calm, solution-oriented manner
- Respect staff time and scheduled meeting parameters

ICAGeorgia maintains a zero-tolerance stance for behavior that compromises the safety, well-being, or professional environment of staff.

- Staff are not required to remain in meetings where a parent/guardian is exhibiting aggressive, disrespectful, or inappropriate behavior
- Meetings may be ended immediately if expectations are not met
- Future meetings may require administrative presence or be conducted in writing only

At any point a staff member feels unsafe, intimidated, or uncomfortable, all future communication and meetings with the parent/guardian will be restricted to administration only. Direct interaction between the parent/guardian and the staff member may be discontinued.

Grievance Process (Staff-Initiated Concerns)

When a teacher, staff member, or administrator has a concern regarding parent/guardian conduct, the following process will be followed:

STEP I

The concern shall be submitted orally or in writing to the principal within ten (10) calendar days of the most recent incident. Any supporting documentation or evidence must be included at this time.

STEP II

The principal or designee will review the concern, including any prior incidents, and issue a written determination within ten (10) calendar days.

Possible interventions may include, but are not limited to:

- Parent-teacher mediation facilitated by administration
- Required administrative presence at all meetings
- Requirement that all communication include an administrator or designated staff member
- Limitation or removal of one-on-one communication between parent and staff
- Restriction from participation in non-essential school events
- Formal written notice outlining behavioral expectations
- Recommendation for withdrawal or loss of enrollment

STEP III

If the complainant is dissatisfied with the decision, a written request for reconsideration may be submitted to the principal within ten (10) calendar days of the decision. A follow-up meeting will be scheduled, and a final written determination will be issued within ten (10) calendar days.

STEP IV

Promotion Policy

The Principal is authorized to make initial grade placement of a student and to promote, accederate, or retain students after initial grade placement. After initial grade placement, a student is expected to progress through the grades one year in each grade receiving the benefits of academic, social and physical growth usually accompanied with a full year of development. On occasion, it may be in the interest of the student to have a new grade placement, be accelerated more than one grade, or be retained in the current grade. In this event, supporting documentation with interventions already offered to the student will be provided by the school. If a student's parent or teacher believes one of these grade changes should be considered, a written request for consideration should be provided to the principal, including the reasons for such consideration. The final decision regarding placement, acceleration, promotion, or retention of a student rests solely with the Principal.

The Principal shall consider the following non-exhaustive list of factors when making such decisions:

1. The education record of the student, including but not limited to a student's grades, standardized test scores, reading, speaking and math skills, the curriculum of each grade, the available teacher(s) skill (s) delivering the instruction, and available programs.
2. Attendance
3. Discipline
4. The physical, social and emotional readiness of the student for the curriculum of each grade.
5. The current research on grade placement, promotion, acceleration and retention.
6. The recommendation of the student's parents and teachers.
7. The Promotion Requirements described below.
8. The applicable laws governing these decisions.

Promotion Requirements for Grades 5 and 8

In addition to the standards and criteria described above, promotion of a student shall be determined as follows:

1. No fifth grade student shall be promoted to the sixth grade if the student does not receive a grade level reading determination of "On/Above Grade Level" on the state adopted assessment.
2. No fifth grade student shall be promoted to the sixth grade if the student does not attain an achievement level of "Developing Learner," "Proficient Learner," or "Distinguished Learner" on the math section of the state adopted assessment.

Any student who does not perform at grade level on the state adopted assessment as described above the first time the student takes the state adopted assessment may be retested a second time. The student

shall be given an opportunity for accelerated, differentiated, or additional instruction in the applicable subjects (s) prior to the retesting.

The Principal may still, in her/his/their sole discretion, decide to retain a student who meets the promotion Requirements but for whom an analysis of the factors listed above indicates that retention is the student's best interest. If a parent appeals the decision to retain the student, the school shall establish a placement committee to consider the appeal. For students receiving special education or related services, the Individualized Education Program Committee shall serve as the placement committee. The placement committee's decision to promote the student to the next grade level must be unanimous and must be based on a determination that if promoted and given accelerated, differentiated, or additional instruction during the next year, the student is likely to perform at grade level by the conclusion of the school year. A plan for accelerated, differentiated, or additional instruction must be developed for each student who does not achieve grade level performance in grades 5 or 8 on the state adopted assessment as described above whether the student is retained, or placed, or promoted for the subsequent school year. The goal of playing, accelerating, promoting, or retaining a student is to enhance the opportunity for the student to achieve learning goals, meet state and school performance expectations, and to be prepared for high school, college, and career plans.

ICAGeorgia does not offer a summer program at this time.

School Communication Platforms

ICAGeorgia utilizes approved communication and learning platforms to support family engagement, student learning, and school-home communication.

Cheating and Plagiarism Policy

At ICAGeorgia, academic honesty is a core value. All students are expected to submit work that reflects their own independent thinking and efforts. Cheating in any form is not allowed, and plagiarism, the use of someone else's ideas, words, or creative work without proper acknowledgment, is strictly prohibited. This includes work from books, articles, websites, other students, computer programs, or artwork.

Students are also not permitted to share their work with others for the purpose of copying.

Plagiarism includes, but is not limited to:

- Copying from a book, article, website, or another student's assignment.

- Submitting the same assignment for more than one class or teacher without prior approval.
- Receiving significant assistance on assignments meant to be completed independently.

Consequences for Cheating or Plagiarism:

If any part of an assignment is found to be plagiarized or completed dishonestly, the student will receive a grade of zero. Depending on the situation, the teacher and/or administration may allow the student to redo the assignment for partial credit or provide an alternative assignment. Students who allow others to copy their work will face the same consequences.

Protect Students First Act Complaint Resolution Policy (Ga. Code § 20-1-11)

In accordance with the requirements found in Georgia House Bill 1084, the Protect Students First Act (the "Act"), ICAGeorgia maintains the following Complaint Resolution Policy to set forth how eligible individuals may make complaints about ICAGeorgia's adherence to the requirements of the Act.

Summary of the Protect Students First Act

The Protect Students First Act, the full text of which is available at <https://www.legis.ga.gov/legislation/61477>, requires ICAGeorgia to prohibit its employees from discriminating against students and other employees based on race. Further, ICAGeorgia must ensure that its curricula and training programs encourage employees and students to practice tolerance and mutual respect and to refrain from judging others based on race. In doing so, it shall not advocate for "divisive concepts," a term further defined in the Act.

The Act is not intended to and shall not be constructed or applied in practice to, among other things, inhibit or violate state and federal Constitutional rights, prohibit ICAGeorgia from promoting tolerance, mutual respect, or cultural sensitivity or competence, or to ban the discussion of "divisive concepts" as part of a larger course of instruction in a professionally and academically appropriate manner without espousing personal political beliefs.

Further, the Act does not prohibit the use of curricula that addresses the topics of slavery, racial oppression, racial segregation, or racial discrimination, including topics relating to the enactment of enforcement of laws resulting in racial oppression, segregation, and discrimination in a professionally and academically appropriate manner and without espousing personal political beliefs.

Individuals Who May Make Complaints Under This Policy

Only the following individuals shall be permitted to make a complaint under this Policy: the parent/guardian of a current ICAGeorgia student; an ICAGeorgia student who has reached the age of majority or is a lawfully emancipated minor; and any current ICAGeorgia administrator, teacher, or other School personnel. An individual making a complaint under this Policy shall be referred to herein as a "Complainant".

Custody & Legal Documentation

Custody Agreements

ICAGeorgia recognizes and follows all court-issued custody and guardianship documentation on file.

- The school will adhere strictly to the terms outlined in the most current legal custody agreement provided by the parent/guardian.
- In the absence of official documentation, both parents/guardians will be assumed to have equal rights to access student records and participate in school-related matters.

Required Documentation

- Families are responsible for providing complete and current custody documentation at the time of enrollment or when changes occur.
- The school will not enforce custody restrictions without official, court-approved documentation.

Updates to Custody Status

- Any changes to custody arrangements must be:
 - Submitted in writing, and
 - Supported by updated legal documentation
- Changes will only be implemented once documentation has been received and verified by the school.

School Responsibility

ICAGeorgia will make all reasonable efforts to follow custody agreements as written; however, the school is not responsible for enforcing custody disputes.

Request for Records

Any individual able to bring a complaint under this policy may also, before or in conjunction with bringing a complaint, make a written request to the Principal for access to nonconfidential records reasonably believed to substantiate a complaint made under the Act. The Principal shall produce such records for inspection within a reasonable amount of time not to exceed three school days from the date of the written request. In any instance where some or all of the requested documents are unavailable within three school days of receipt of the request, but such documents do exist, the Principal shall within three days provide the Complainant with a description of such records and a timeline for when they will be available shall provide the documents or access thereto as soon as practicable but in no case later than thirty days after receipt of the written request. If the Principal denies a request for records or does not provide existing responsive records within thirty days, the requester may appeal such denial or failure to respond to the Board of Directors. The Board of Directors must place such appeal on the agenda for its next public meeting. If it is too late for such an appeal to appear on the next meeting's agenda, the appeal must be included on the agenda for the subsequent meeting.

Complaint Procedures

To initiate a complaint under this Policy, a Complainant shall submit to the Principal, in writing, reasonably detailed description of the alleged violation of the Protecting Students First Act.

By way of example, a reasonably detailed description would generally include the date on which the alleged violation occurred, in which course or during what school-sponsored event the alleged violation occurred, the individual (s) accused of committing the alleged violation, any witnesses to the alleged violation, and details of the substance of the alleged violation (i.e., what remarks were made or what materials were presented that are objectionable).

Investigation of Complaints

Within five school days of receiving a written complaint, the Principal or his/her designee shall review the complaint and take reasonable steps to investigate its allegations. What is considered “reasonable” will vary based on the details of the Complaint, but generally will involve interviewing the Complaint, interviewing the individual(s) identified as having violated the Act, interviewing any witnesses to the alleged violation as needed, and/or reviewing the allegedly objectionable materials at issue, if any.

The Principal or his/her designee shall thereafter meet with the Complainant within ten days of receiving the written complaint ---unless another schedule is mutually agreed to by the Complainant and the Principal ---and inform the Complainant whether a violation occurred, in whole or in part, and, if such a violation was found to have occurred, what remedial steps have been or will be taken; provided, however, that the confidentiality of student or personnel information shall not be violated.

If the Complainant so request, the Principal or his/her designee shall within three days of the above referenced meeting, provide to the Complainant a written summary of findings of the investigation and a statement of remedial measures, if any; provided, however, that such written response shall not disclose any confidential student or personnel information.

Appeal of Principal’s Decision

If Complainant disagrees with the Principal’s or his/her designee’s determination, Complainant may, within 5 business days of receipt of the written findings, submit a request in writing to the Chair of the Board of Directors to review the Principal’s or his/her designee’s decision. The Board of Directors or its designee shall, within ten school days receiving a written request, review the Principal’s or his/her designee’s determinations. Confidential student or personnel matters shall not be subject to review.

Appeal of Board of Director’s Decision

If Complainant disagrees with the Board of Directors’ decision, Complainant may submit a request in writing to the State Charter School Commission to review the Board of Directors’ decision. The State Charter Commission shall take appropriate remedial measures. Confidential student and personnel matters shall not be subject to review.

- Any other closure due to weather or special circumstances will be communicated by email at its

earliest convenience.

After School Program Time Schedule

ICAGeorgia ASP operates five days (Monday through Friday) a week.

Monday through Thursday	2:45pm to 6:00pm
Fridays	2:00pm to 6:00pm
Early Release Days	12:15pm to 6:00pm

Admissions and Enrollment

In accordance with O.C.G.A. 2022066 (1)(A), ICAGeorgia ASP will admit students of any race, color, nationality, ethnic origin, religion, sexual orientation, or gender. ICAGeorgia ASP shall enroll an eligible student, as defined by GADOE, who resides within the attendance zone and submits a timely application unless the number of applications exceeds the capacity of a program, class, grade level or building. In such cases, all applicants shall have an equal chance of being admitted through a random lottery process.

ICAGeorgia ASP may not use admissions criteria or applications that would not otherwise be used at a traditional public school, including requests for letters of recommendation, essays, resumes, or information regarding a student's school or community activities, grades, test scores, attendance record, or disciplinary history. ICAGeorgia ASP may use applications for the purpose of verifying the student's residence within the school's attendance zone. ICAGeorgia ASP may gather relevant information from students after enrollment is determined. For a detailed list of information that is needed to complete enrollment, refer to the Enrollment packet for students with confirmed spots on the school's website: www.internationalcharteracademy.org/admissions/.

Current ICAGeorgia ASP students are provided the opportunity to re-enroll for the upcoming school year prior to new enrollment. Siblings of current students will register during this re-enrollment period. For new students interested in attending ICAGeorgia ASP for the following school year, the new registration period starts in June. The exact dates and the procedure will be announced each year on the school website. Students enrolling at ICAGeorgia ASP are subject to the following priority:

In accordance with Georgia law, ICAGeorgia provides enrollment priority in the following order:

4. Siblings of currently enrolled students
5. Children of full-time or part-time (minimum 20 hours per week) ICAGeorgia staff
6. Children of the ICAGeorgia Founding Board
7. Weekly use families

Siblings are defined as:

- Biological (including half-siblings) or adopted siblings
- Step-siblings residing in the same household
- Foster children residing in the same household

Applications and detailed information on admission procedures will be made available to the public on ICAGeorgia’s website. Interested individuals may also request an application via email or come to pick up in person at the school office.

When there are more registrants than spaces available, ICAGeorgia ASP will hold a lottery of the students who register during the registration period. The time and place of the lottery will be published on the school’s website: www.internationalcharteracademy.org.

During the lottery, participants will win admission in the order that their number is drawn, up until the pre-established maximum capacity is reached. Thereafter, participants will be placed on a waitlist in the order their number is drawn. Applicants will be notified of the results via email. Accepted students will then be given a further deadline by which time they must confirm their enrollment. If parents do not bring in their enrollment documentation during the specified timeframe, then the school will deem the acceptance as a rejection and shall fill the vacant spot from the waitlist.

At the conclusion of this process, if any grade level, program, class, or building remains below its maximum capacity, applicants will be admitted from the waitlist according to the order determined at the lottery. Any applications received after this point will be considered “late registrants” and treated as follows: (1) If spots remain available in the grade level, program, class, or building, applications will be admitted in the order they are received. (2) If no spots are available, applicants will be added to the waitlist in the order their applications are received.

ICAGeorgia shall maintain a written waiting list of registered students for the current school year only. Parents, therefore, must register every year, even if they are on the waitlist for the current school year.

This will help the school to receive and dismiss children in a timely fashion. ICAGeorgia will not coordinate carpools, but rather help bring interested parents together so they may work out specific details. Getting students to school and dismissing from school safely are high priorities. When you arrive to pick up your child, please come to the After School's main entrance to escort your child back to your car.

- During the first week of school, please bring and present your student's carpool tag number at pick-up.
- Unpaid late fees may result in dismissal from the after school program.
- After the 3rd late pick-up (after 6:00 pm) is an automatic dismissal from the program with no exceptions.
